About Dr. Neva

Dr. Neva Helena Alexander is a dynamic leader, educator, and innovator dedicated to inspiring transformative change globally. With a Doctorate in Educational Leadership, she combines extensive academic expertise with practical insights to guide individuals and organizations toward impactful growth and success.

As the Founder and Global Leadership Strategist of Nevalliance, a certified MWBE professional development company, Dr. Neva focuses on creating global experiences and intentional growth strategies. Through strategic consulting, curated international Global Leadership Experiences, and the prestigious Inner Circle membership program, she helps entrepreneurs and leaders gain visibility, build meaningful networks, and achieve sustainable business growth.

In addition to her entrepreneurial endeavors, Dr. Neva leads the Nevalliance Foundation, the non-profit arm of Nevalliance, emphasizing community impact and global connection.

A respected author, renowned speaker, and passionate advocate for leadership and startup strategies, Dr. Neva has successfully hosted the International Conference at Hofstra University since 2017, actively championing underrepresented voices in business.

Dr. Neva Alexander continues to inspire individuals worldwide, empowering them to build lasting legacies through leadership, innovation, and strategic vision.
